18 copies supplied have been distributed and what all officers have to be supplied with copies.

The Conservator also recommends copies to Sub Asst Conservators & Range officers & the no. of copies required for supply to them is 40.

As there is only a limited stock of books in reserve, it is a point for order whether it is possible to supply copies as asked for. In another connection when the Excise Commr asked for copies for supply to Excise Range officers, the Administrative Branch noted that there was not much necessity for supply of ~~independent~~ copies to this class of Range officers that they can as well, when ~~occasion~~ necessary, refer to ~~Taluk~~ copies available at the Taluk Cutcherry of the Station.

Forest section of Br I may be consulted.
